Description

To do (an action)

To do (an action)

To do (an action)

To do (an action)

To do (an action)

To do (an action)

Strengthening/intensifying of meaning. Applying act to a more general object.

Relation of the action to another person. Attempting the act.

To consider/represent oneself as having a quality expressed in the root meaning.

Implying the mutual application of the action.

Possession/acquisition of colours/defects.

Asking for the act/quality of the root. Esteeming/thinking someone/thing to have quality of root.
